## FAMILIES PROJECT

*Every Voice  
Matters*

**Our Families Project aims to support parents who are facing barriers in:**

- Having their voices heard and taken account of
- Understanding and accessing their rights
- Understanding and exploring options

**Our Families Project will work with parents or kinship carers who may have;**

- Long term health conditions
- Additional support needs
- Literacy issues
- parents who are in recovery
- or feeling socially isolated

*“ Everyone has the right to participate in decisions which affect their human rights.*

*Participation must be active, free and meaningful ””*

**What our advocates do:**

- Support you when making choices that affect your family life
- Help you explore options and make informed choices
- Protect your rights
- Help you to develop confidence in speaking to professionals
- Help you to prepare and accompany you to meetings
