## CHILDREN AND YOUNG PEOPLE'S ADVOCACY

Every Voice Matters

## What is Independent Advocacy?

We can assist you to tell people how you are feeling and what you would like to happen.

Advocacy is a way to encourage you to be part of decisions that affect your life.

We will communicate with you in the way you prefer.

We will respect you and your choices.

Support you to have your say in places like:

- Children's hearings
- At school or college
- Doctors or hospital
- Or other times where social work services are in your life

What else should I know about advocacy?

Your Advocacy Worker will only share what you want them to share unless they are worried about you or someone else's safety.

Your Advocacy Worker can help you get legal advice from a solicitor if you need it.

Your advocacy journey is led by you!
